

Seal of the
Macclesfield Canal
Company

The Macclesfield Canal Society

The Society is re-starting its on a virtual basis using Zoom software on the 10th September with Daniel Greenhalgh, the NW Regional Director of the CRT.

Unfortunately, we do not have e-mail addresses for all our members. An e-mail was sent to known members addresses on the 18th August detailing our intention for the above meeting.

**If you are a member and have not received this e-mail (after also checking your Spam box) could you please let Kate Bonson, Membership Secretary know your e-mail
membership@macclesfieldcanal.org.uk**

As well as being required for the Zoom meeting it would also help overcome the difficulty we have had we have had with communicating with members in the current situation
